MESSA has no financial or other interest in these companies and does not endorse them. For your convenience and cost savings, you may want to use a company that participates with Blue Cross Blue Shield of Michigan (BCBSM) and who will bill directly for you, as the above companies do. Most pharmacies carry these supplies, but few participate with Blue Cross for medical supplies. Ask if the pharmacy will bill BCBSM directly for you. If they will not, they may not participate with Blue Cross. If you purchase supplies from a non-participating pharmacy, you must pay upfront and submit a receipt to MESSA for reimbursement consideration. MESSA does not require you to use any particular brand or style of blood glucose meter or strips.

For more information or with any feedback on the above companies, call MESSA's diabetes case management program at 800.336.0022, prompt 3.
