

# MESSA Saver Rx – List of Generic Drugs Eligible for the \$2 Copayment

This list is organized by medical condition and will change as brand names come off patent and new generic drugs become available. If you do not see your medication listed below or encounter issues filling your prescription at your pharmacy, please contact MESSA's Member Service Center at 800.336.0013.

## High Blood Pressure/Coronary

This list is current as of Sept. 2017.

|  |   |   |
|--|---|---|
| Acebutolol                               | Enalapril                               | Nadolol                                     |
| Amiloride                                | Enalapril / Hydrochlorothiazide (HCTZ)  | Nadolol / Bendroflumethiazide               |
| Amiloride / Hydrochlorothiazide (HCTZ)   | Eplerenone                              | Nicardipine                                 |
| Amlodipine                               | Eprosartan (600 mg only)                | Nifedipine                                  |
| Amlodipine / Atorvastatin                | Felodipine                              | Nimodipine                                  |
| Amlodipine / Benazepril                  | Fosinopril                              | Nisoldipine                                 |
| Amlodipine / Valsartan                   | Fosinopril / Hydrochlorothiazide (HCTZ) | Nitroglycerin                               |
| Amlodipine / Valsartan-HCTZ              | Furosemide                              | Papaverine                                  |
| Atenolol                                 | Guanfacine                              | Perindopril                                 |
| Atenolol / Chlorthalidone                | Hydralazine                             | Phenoxybenzamine HCL 10 mg cap              |
| Benazepril                               | Hydralazine/ Hydrochlorothiazide (HCTZ) | Pindolol                                    |
| Benazepril / Hydrochlorothiazide (HCTZ)  | Hydrochlorothiazide                     | Prazosin                                    |
| Betaxolol                                | Indapamide                              | Propranolol                                 |
| Bisoprolol                               | Irbesartan                              | Propranolol / Hydrochlorothiazide (HCTZ)    |
| Bisoprolol / Hydrochlorothiazide (HCTZ)  | Irbesartan / Hydrochlorothiazide (HCTZ) | Quinapril                                   |
| Bumetanide                               | Isosorbide                              | Quinapril / Hydrochlorothiazide (HCTZ)      |
| Candesartan                              | Isradipine                              | Ramipril                                    |
| Candesartan / Hydrochlorothiazide (HCTZ) | Labetalol                               | Reserpine                                   |
| Captopril                                | Lisinopril                              | Sotalol                                     |
| Captopril / Hydrochlorothiazide (HCTZ)   | Lisinopril / Hydrochlorothiazide (HCTZ) | Spironolactone                              |
| Carvedilol                               | Losartan                                | Spironolactone / Hydrochlorothiazide (HCTZ) |
| Chlorothiazide                           | Losartan / Hydrochlorothiazide (HCTZ)   | Telmisartan                                 |
| Chlorthalidone                           | Methyclothiazide                        | Telmisartan / Hydrochlorothiazide (HCTZ)    |
| Cilostazol                               | Methyldopa                              | Terazosin                                   |
| Clonidine                                | Methyldopa / Hydrochlorothiazide (HCTZ) | Ticlopidine                                 |
| Clonidine / Chlorthalidone               | Metolazone                              | Timolol                                     |
| Clopidogrel                              | Metoprolol                              | Torsemide                                   |
| Digoxin                                  | Metoprolol / Hydrochlorothiazide (HCTZ) | Trandolapril                                |
| Diltiazem                                | Minoxidil                               | Trandolapril / Verapamil                    |
| Dipyridamole                             | Moexipril                               | Triamterene / Hydrochlorothiazide (HCTZ)    |
| Doxazosin                                | Moexipril / Hydrochlorothiazide (HCTZ)  | Valsartan                                   |
|  |   | Valsartan / Hydrochlorothiazide (HCTZ)      |
|  |   | Verapamil                                   |

## Asthma

Albuterol  
Azelastine  
Budesonide  
Cromolyn  
Flunisolide  
Fluticasone  
Ipratropium  
Ipratropium / Albuterol  
Levalbuterol  
Triamcinolone  
Zafirlukast

## High Cholesterol

Amlodipine / Atorvastatin  
Atorvastatin  
Cholestyramine  
Cholestyramine Light  
Colestipol  
Ezetimibe tablet  
Ezetimibe-Simvastatin  
Fenofibrate  
Fenofibrate Acid  
Fluvastatin  
Fluvastatin ER  
Gemfibrozil  
Lovastatin  
Pravastatin  
Rosuvastatin  
Simvastatin  
Triklo

## Diabetes

Acarbose  
Chlorpropamide  
Glimepiride  
Glipizide  
Glipizide / Metformin  
Glyburide  
Glyburide / Metformin  
Metformin  
Nateglinide  
Pioglitazone  
Pioglitazone / Glimepiride  
Pioglitazone / Metformin

## Diabetes (cont.)

Repaglinide  
Repaglinide / Metformin  
Tolazamide  
Tolbutamide
