

Because MESSA cares about your health, we are providing you with a list of credible web sites that provide reliable and up-to-date information to help you achieve and maintain control of your asthma. Keep in mind that your physician is the most important resource, so never alter your treatment plan without consulting with your physician.

Reliable Internet Sites

- www.getastmahelp.org
- www.lung.org
- www.aaaai.org
- www.aafa.org
- www.aanma.org
- www.cdc.gov
- www.epa.gov
- www.nationaljewish.org
- www.nhlbi.nih.gov

Questions?

If you have any questions, please call MESSA Member Education at 800.336.0022 and select prompt 3 to talk with a MESSA nurse specially trained in asthma management.
