24/7 ACCESS

Is this a cold or something more serious?

With MESSA, you have access to NurseLine 24 hours a day, 7 days a week.

NurseLine is staffed around the clock by registered nurses who can answer medical questions and offer guidance. When you call, a registered nurse will listen to your questions and discuss your health concerns with you. The nurse may provide measures you can take at home, or suggest you contact your regular provider. NurseLine can take some of the worry out of health care, and help you avoid unnecessary emergency room visits.

NurseLine is not a 911 service and is not intended to replace qualified medical care given by your doctor or other medical professional. If you have an illness or injury that requires immediate attention, please go directly to an emergency room.
