Hospital Indemnity Plan Plus:
Be prepared for the road ahead

A hospital indemnity plan pays benefits when you have a hospital stay due to an illness, injury, surgery or childbirth. It’s an extra layer of financial protection when you really need it.

Claire’s story*

“My husband and I were excited when we found out we were expecting. And to double the good news: we had twins!”

“As first-time parents, there was a lot for us to prepare for. We appreciated any help we could get, especially financial help.”

“Thankfully, my hospital plan paid me cash to help pay out-of-pocket medical bills and some towards furnishing our nursery for two.”

Supplemental health plans

We make it simple
If you’re eligible to enroll and apply for coverage, your acceptance is guaranteed. Cash benefits are paid directly to you and are not reduced by other insurance benefits you may have. You get access to negotiated group rates and you enjoy the convenience of payroll deduction to pay premiums. And, if your employment ends, you can take your benefit with you – you’ll just pay premiums directly to Aetna.

Managing your plans
Once you’re a member, you can access plan information and documents through your MyMESSA member portal at messa.org. You can also download the My Aetna Supplemental app or visit Aetna’s member portal at Myaetnasupplemental.com.

Aetna Easy File™
Filing claims is easy. Once you register on the My Aetna Supplemental member app or at Myaetnasupplemental.com, just answer a few short questions. Our system retrieves medical information needed to process your claim. That’s less paperwork for you. You can also view your coverage and sign up for direct deposit.
