

# Viewing Your Open Enrollment Form

Open Enrollment materials are available for viewing during the open enrollment period chosen by your School Business Office. Review your coverage elections carefully to determine if changes are needed. To make changes, print a copy of your Open Enrollment form, indicate your changes, sign and date the form and return it to your School Business Office for approval. Once the School Business Office approves your selections, your completed Open Enrollment form will be submitted to MESSA for processing.

The screenshot shows the MESSA website interface. At the top left is the MESSA logo with the tagline "Good health. Good business. Great schools." and a search bar. A navigation menu includes "Members", "Business Offices", "Plans & Services", "Health Resources", "About Us", and "Contact Us". A featured section titled "Just for you" offers programs for asthma, diabetes, and heart health conditions, with a "Read more..." button. Below this is a photo of Rachelle Twichell, RN, BSN, CDE. A "Login" form is visible on the right, with a red callout box pointing to the username and password fields. The callout box contains the text: "Enter your MESSA member portal username and password." The login form includes a "Login" button and a link for "Forgot username or password?". Below the login form are buttons for "Plan Comparison Tool", "MESSA ABC Plan", and "MESSA Wellness". The "News" section on the left contains two articles: "MESSA rolling out aggressive plan to help reduce health costs for school employees" and "Save money with online doctor visits through Amwell". The "Helpful Links" section includes "Find a Doctor - Dentist - Vision" and "Request an ID Card".

The Summary of Benefits and Coverage will only show if you have the option to select medical coverage. If you only have dental and/or vision coverage, you will not see a Summary of Benefits and Coverage document.
